Dear customer,

Given the current market conditions we know how important it is that you are provided with advance notice of any significant price changes. We are therefore advising you of price increases on some products within the below categories, that you have purchased previously.

Product Category	Price Increase	Live Date
Bricks	2.65 %	1 st Feb 2021
Power Tool Accessories	1.8 – 1.9 %	1st Feb 2021
Ironmongery	3.5 %	1st Feb 2021
Roofing	1.3 - 3.90 %	1st Feb 2021
Builders Metalwork	10 - 14 %	1st Feb 2021

Why we're raising our prices. The price increase for items such as Builders Metalwork comes from the sharp increase in the price of steel and nickel. The price of nickel has increased 45% since last summer alone. For other suppliers, the current UK climate has created a volatile environment where they have had to adapt processes to meet new guidelines. This is coupled with delays in goods entering the UK via ports, which has meant suppliers are purchasing more in advance and therefore increasing costs.

To keep up to date with any other price increases and product availability, please visit our dedicated supplier updates page here: www.jewson.co.uk/supplier-updates

If you'd like to talk to us about anything we've included within this letter, please get in touch with your local branch.

We look forward to working with you in 2021.

Yours Sincerely,

Jewson
