JEWSON RESPECTING YOUR PRIVACY

By submitting this Account Application Form in order to open a credit account, you acknowledge that we will search the files of credit reference agencies and fraud prevention agencies. These agencies will provide us with information about you, such as your financial situation and financial history. We carry out these searches in order to assess creditworthiness and product suitability, check your identity, manage your account, trace and recover debts and prevent fraud and criminal activity. We may also search the files of the Land Registry. These searches will be conducted both in order to open your account, and from time to time during the lifetime of your relationship with us. Credit reference agency searches will place a search footprint on your credit file when we make a search, and this may be seen by other lenders. We will continue to exchange information about you with credit reference agencies while you have a relationship with us, including information about your settled accounts and any debts not fully repaid on time. Credit reference agencies will share your information with other organisations. Your information will also be linked to the information of others, such as your spouse or partner, any joint applicants, or other financial associates. We always strive to adopt best practice in relation to the collection, storage and processing of your personal information. We take your privacy very seriously and adhere to the highest standards to protect your personal information. Essentially, we collect personal information about you in relation to our dealings with you as our customer, and so that we can tell you more about our products and services, and the products and services of our group companies. If you would like to find out more about the personal information we collect and what we do with it, then please read the Saint-Gobain Group Privacy Policy and our addendum online through <https://www.jewson.co.uk/about-us/legal-policies/privacy-policy/> or ask to view a copy in branch. If you would prefer to request a hard copy of the policy, have any questions about how we collect, store and use your personal information, or if you have any other privacy-related questions, please contact our Privacy Correspondent by email at dataprotection@sghd.co.uk. On the successful opening of an account with us, we will advise you of your account details and we will take the opportunity to ask you for your communication preferences, so we can keep you up to date with offers relating to goods and services which may be of interest to you.
